Memo

To: **All our business partners**
Date: 7 August 2006
From: Anders Mjaaland
Subject: **Change of company name and organisation number**

Dear Friends and Business Partners;

We are pleased to advise that we for sake of convenience and clarity have merged all Norwegian Marsh companies in to one legal entity being Marsh AS (organisation number 946856800). These changes are effective 25th July 2006.

Our daughter company in Sweden, Marsh Marine & Energy AB in Gothenburg, is 100% owned by Marsh AS.

Mr Alf Henriksen who was previously CEO for Marsh Norway AS (non-marine) is the new CEO for Marsh AS, while the undersigned is in charge of the Marine & Energy Division.

Apart from the above mentioned changes, it is business as usual on all fronts, and we look forward to continue our excellent relationship with your company going forward.

Please feel free to contact the undersigned should you have any enquiries.

Sincerely yours,

Anders Mjaaland
Head of Marine & Energy Scandinavia
